One of the Mulki peons is to be dismissed & Hasham Walad Kader to be employed as a peon on Rs7/-p.m. He will undoubtedly be an acquisition to the establishment as he knows Kanrese well. He will be appointed from today.

Dear Diwan Sahab,

Will you kindly buy the pair of buffaloes which Mahaboob Ali Khan wants to sell? My allowance has been increased & I can now afford to pay for them & as I am expecting about Rs900/- arrears of my pay I will be able to pay you as soon as a cheque is sent to me.

Will you therefore pay for them & send them to Dharwar as soon as you can, I want them baily for my garden work. Ofcourse this is no part of your official duty but I only ask you as one private man to another.

Yours Sincerely,

Below Diwan's No 378 of 1913.

No 306 of 1913. 18/6/13.

In the first place it is to be noted that there has been great delay in submitting the bill. Secondly the Undersigned does not understand what necessity there was of the Karkun MR Rayappa staying a second day at Shiggaon. He reached there at eleven in the morning & surely even if the Shiggaon Treasury Officer delayed paying the amount he could have got the amount ~~at~~ by three in the afternoon & returned to Savanur the same evening by six ~~o'clock~~ <sup>one</sup>, but evidently after a long journey of 9 miles the clerk chose to rest for the rest of the day & start next morning. Though the amount of his travelling allowance is not large but still it shows how careless the Staff is. If it was ~~the~~ private money, the officers would be much more careful to see how their money was utilised. The Undersigned has remarked in the Administration report of this year that he would like to see the officers take a little more interest in State affairs & it is their duty to see that only just the amount that is necessary should be spent. The Undersigned has noticed on more than one occasion that small amounts of State money <sup>are</sup> not much cared for. This order may be circulated to all Officers of Heads of Departments & should be considered as a warning to be careful. If in future such mistakes are found & the Heads of Departments are not able to give proper explanation even in the case of small amounts the ~~the~~ Undersigned may have to report them to Government. *for disbursement of this order*  
The bill is signed & returned this time.
